1. With your completed eSRA open, click on the print button on your computer.

- 2. Instead of your printer, choose "Print to PDF"
- Choose pages 14-19 (or whatever your last page is if you have added many comments, your last page may be >19)
- 4. Print

- 5. Choose an appropriate folder and give your file a name to properly identify it (e.g., with hospital, eSRA, date)
- 6. Save
